RE: Updated UC Eligibility Areas Criteria

Dear Han Mi,

During our June 6<sup>th</sup> meeting, the members of BOARS voted unanimously to approve updated language for the UC Eligibility Areas criteria. The committee appreciates Director Fischerhall's efforts throughout this academic year to ensure that we had a clear and thorough understanding of the potential revisions and their purpose. We agree with the importance of providing community college students, articulation officers, and counselors with guidance regarding courses that will fulfill the criteria for UC's 7-course pattern. This unanimous vote also supports increased alignment between UC's 7-course pattern approvals and Cal-GETC approvals as appropriate (at this time focusing on UC-B, UC-H and UC-S) and requests future BOARS committees to review the approved UC Eligibility Area criteria and their alignment with Cal-GETC on a regular 5-7 year cadence.

Sincerely,

Deborah Swenson  
Chair, BOARS
