*In 2011, CCGA approved a proposal from UCM for a Graduate Group  
Leading to the Ph.D. Degree in Psychological Sciences. This proposal  
included an en route Master's Degree. However, the approval letters from  
CCGA and from the Provost could be interpreted to approve only the Ph.D.  
and not the Master's Degree. UCM is asking for a new letter clarifying  
that the approval is both for the Ph.D. and the Master's.*
