UNIVERSITY OF CALIFORNIA**

**Re: Systemwide Transfer Guarantee Proposal**

Dear Janet:

At its April 25, 2018 meeting, the Academic Council, by a 10 to 1 majority, endorsed the attached letter from the Board of Admissions and Relations with Schools (BOARS) affirming its commitment to develop policy in response to the recommendations of the UC Transfer Task Force regarding your Systemwide Transfer Guarantee Proposal. It is fully expected that policy will be implemented to guide the Fall 2019 entering California Community College students. The effort will require much work on this proposal and on related areas by the Senate, UCOP Student Affairs staff, and by campus admissions staff, as well as the necessary implementation resources.

Please do not hesitate to contact me if you have additional questions.

Sincerely,

**RE: A Systemwide Transfer Guarantee Proposal**

Dear Shane White and Robert May:

On Friday April 6th, the Board of Admissions and Relations with Schools (BOARS), the UC Academic Senate Committee that oversees all matters relating to the admissions of undergraduate students, accepted responsibility and began to address the recommendations of the UC Transfer Taskforce Co-Chaired by Michael Brown and Jim Chalfant regarding A Systemwide Transfer Guarantee Proposal and the recently signed memorandum of understanding between California Community Colleges and the University of California in regards to UC Systemwide Transfer Guarantee (April 2018). BOARS will develop revised policy to Academic Senate Regulations Part II Admissions Title I Academic Colleges Article 1 General Provisions 476 (SR 476) to start the implementation in the fall 2019 of entering California Community College students.
